**SUBMISSION OF FORMAL DRAWINGS**

The Notice of Allowability dated February 13, 2004, indicates that the drawings submitted on December 13, 2002, are acceptable subject to the correction of Figure 1, which the Examiner states "has handwritten text." Applicants believe the Examiner is referring to "SEQ ID NO: 22" written on the annotated sheet of Figure 1 filed with the December 13, 2002, Request for Approval of Drawing Changes ("Request").

Along with this annotated sheet and the Request, applicants also submitted a Submission of Formal Drawings (copy attached), and fifteen (15) sheets of formal drawings, including a replacement sheet of Figure 1 (copy attached) in which the handwritten text ("SEQ ID NO: 22") was replaced with typed text. Thus, Applicants

believe that the drawings have been corrected and request entry of the drawings into the record.

If the formal drawings for any reason are not in full compliance with the pertinent statutes and regulations, please so advise the undersigned.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.
